REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose, in a deep rolling roller head with a flat prismatic body having rectangular surfaces one of which comprises a face which is equipped to receive a roller cage with a deep rolling roller, wherein the prismatic body is constituted by two half bodies that are connected detachably to each other by screws with each half body making up a part of an overall width of the roller head, the two half bodies are connected to each other by an articulation on the face of the prismatic body across from the face containing the roller cage. In a second embodiment the half bodies are divided along a division joint extending at a certain distance from the face that receives the roller cage and being parallel to the face.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Ed Tolan whose telephone number is 571-272-4525.
